SUMMER NEWSLETTER

Band Camp a great start for 2011 Golden Regiment!

Work ethic and determination describe what I see in this year's Golden Regiment. The student leaders set the pace and each day was productive, regardless of whether it was hot or raining. To march and play 65 pages of drill at the Preview Show after just one week together with the large number of freshmen we have this year is a testament to the continued increased level of excellence and work ethic that defines the Golden Regiment. Maintain this drive and determination and you will exceed expectations this marching season!

I'd like to say "thank you" to all of the parents who volunteered their time during the camp - I was particularly impressed by the large number of new parents to our Golden Regiment family that came out to help! A special "thank you" to the Stilwells and Crawford's for the Preview Show Dinner which was delicious. Without our Band Boosters, we would not have had such a successful band camp!

Remember to check the [Calendar of Events](#) on our website for events at which the band is performing; parents, friends, and relatives make plans to attend and cheer on the Golden Regiment!

Musically,

Mr. K
