The Florida Marching Band Coalition gives special acknowledgement to bands that achieve a block score from week to week based on the sliding achievement scale. There were only two bands that achieved a block score at the Southern Showcase, Buchholz and the Gainesville High School Band.

After entering the FMBC Circuit just 3 weeks ago winning two 1st Place Caption Awards and finishing with an almost 7 point jump in score over a 3-week period, the Golden Regiment has got the attention of everyone in the Florida Marching Band Coalition. This has been an impressive entry season into the FMBC Circuit - congratulations Golden Regiment!
